One barrier to running my BookLab according to my values is...

But I could make changes if I had...

Very Drafty V1!

BOOKLAB TIME MACHINE

Where are 3 ways your BookLab could make the world a little better?

- 1.
- 2.
- 3.

You take a time machine to your BookLab in the future. What 3 words would you be most delighted to find describe it?

My favorite activity or demo to help intro folks to my BookLab is:

- 1.
- 2.
- 3.

What steps can you take toward that dream, w/o additional \$?

What 3 words/phrases don't you want to see describing your BookLab?

- 1.
- 2.
- 3.

What do I love about BookLabbish work? (i.e. why am I here, what gives me energy, keeps me involved in field)
